

## **SW1 - Diet Pills - an update for APDs working in weight management**

### **Presenter:**

#### **Melanie McGrice**

Melanie McGrice is the director of Health Kick Nutrition & Dietetics, a Melbourne-based private practice which specialises in weight management and other metabolic diseases. She is a media spokesperson for the Dietitians Association of Australia and is regularly interviewed for news, current affairs and lifestyle programs, as well as radio and press. She also writes regularly for magazines and is a regular public speaker for corporate companies, professional organisations and schools.
