

Arinex Pty Ltd Sponsorship Account Manager

An exciting opportunity for a high performing Sponsorship Account Manager with a passion for business events with Australia's leading professional conference organiser.

We are currently looking for a passionate and innovative **Sponsorship Account Manager** to join our skilled Sponsorship and Exhibitions Team. This dynamic role encompasses elements of both Sales and Marketing and you will take ownership of the execution of integrated campaigns from design through to implementation. With a focus on corporate sponsorship and exhibition products, this role will suit a results driven account manager with a passion for building fruitful business relationships. You will lead the day-to-day execution of campaigns, working in a fast-paced and creative environment. You will be surrounded by a supportive and experienced team; working directly with our amazing clients who come from an array of industries.

Learn from the best in this exciting role. Winner of a Global Collaborative Award in 2018, check out the video case study at: <https://arinex.com.au/client-outcomes/>

Key responsibilities of this role include:

- Identify and develop new business via telephone and email to drive sponsorship revenue across events.
- Develop and implement strategies to maximise sponsorship revenue for our clients.
- Manage relationships with clients, sponsors and exhibitors from around the globe.
- Create and develop compelling sales collateral.
- Conduct research and identify potential sponsorship leads.

To be successful in the role YOU will have:

- Experience in account management, sales and marketing.
- Proven track record of new business generation and sales.
- Ability to build and strengthen B2B relationships.
- Experience in delivering innovative client-focused solutions.
- A talent for presenting and strong negotiation skills.
- Knowledge of EventsAir, Salesforce or similar events software is desirable.

Each day you will be working on a diverse range of projects that will both challenge and inspire you. Working beside clients in areas of science, medicine, environment, education, construction just to name a few, whose events are changing the world in which we live.

If this job opportunity is sparking an interest for you, we encourage you to apply! All applications are to be supported with a cover letter (covering your relevant experience and stating your salary expectations), along with a copy of your current resume. **Follow this link to submit your application:** [Apply Here](#)
